THE OBJECTIVE OF THE SELF-DEFENSE TECHNIQUES TO BE EXECUTED IS

- * Realistic techniques with complete opponent weapon control resulting in the disabling and elimination of threat without being cut or hit.
- * Must show fluidness (flow) and competence with techniques Completion of the technique must demonstrate the control of the opponent and his/her weapon such that the threat is completely eliminated.

COMPETITOR WILL PERFORM (3) SELF-DEFENSE TECHNIQUES USING FIRST

- (1) Empty hand against weapon of choice
- (2) Single weapon against single weapon of choice
- (3) Multiple weapons or improvised weapons of choice

Knife Fighting Point Concept - Competition Rules - Two Players

Competition will be between two opponents only confined to a measured ring (10' radius or 20' square) for a set period of time with a cumulative point structure.

- * Head gear with eye protection, padded gloves mouthpiece and groin protector shall be provided by the competitors and must pass inspection by officials before competition is allowed

Strikes and defenses will be judged actively by two judges and one referee.

Two points for strikes to the weapon arm and thigh.

One point for strikes to the non-weapon arm, torso and head.

Each judge will be tasked with watching one competitor's target area for points scored while the referee will monitor the overall action.

The match shall end when the allotted time of three minutes has expired and the Time Keeper "throws in the towel", or when a competitor has acquired 6 points, and the Score Keeper has notified the Referee.

CARENZA/FORMS Competition

Carenza/Forms shall not exceed three minutes in length, with empty-hand and/or weapons forms and techniques permitted.

- * Any weapons used must be under the competitor's control at all times. Use of a weapon or technique that may be hazardous to a competitor, official, or spectator is prohibited. Under no circumstances may a weapon be thrown.
- * The competitor must display his or her expertise in the use of both weapon and body, with the weapon acting as an extension of the body.

Any Carenza/Forms competitor who performs or attempts a technique that is clearly dangerous, or displays the inability to safely control a weapon, or who exhibits unsportsmanlike behavior of any kind shall be subject to Automatic Disqualification.

- * Scoring of Carenza/Forms performances shall be determined by the manner of presentation, balance, power, rhythm, timing, technical skill, symmetry of movements and transitions, difficulty, complexity, control, speed, combat effectiveness, over-all showmanship and self-expression.

Continuous Stick-Fighting Single and Double stick

- * Safety equipment, including head gear, gloves, and chest protectors will be provided by the Competitor and must undergo inspection by head referee prior to use.
 - * Sticks will also be provided by the competitor, but must also pass inspection by head referee for possible defects that may result in injury during use.
 - * Mouth-guard, protective cup, elbow, forearm, thigh pads, and tennis shoes are mandatory for sparring and are the responsibility of the fighters.
- Sparring shall consist of three rounds of 60 seconds each, with 30 second rest.
- * There will be a maximum of one persons allowed in each competitor's corner (Coach).
 - * Scoring will be based on the "10-point Must" system before deductions.
 - * Scoring will be reflected by the use of power, accuracy, aggressiveness, ring control, offense, defense, and technical control.
 - * One to two Disarms will be scored as part of the match. Three disarms will end the match with a TKO.
 - * The ring may be used to control the action, not to avoid the action.
